## FRONTEND DEVELOPER

Seeking a position as a Frontend Developer to apply and further develop my skills in web development within a dynamic and collaborative work environment.

## WORK EXPERIENCE

### Frontend Developer Intern | Hexanova Media Tech

Oct 2023 - present

During my internship at Hexanova, I actively engaged in the primary project, acquiring hands-on experience in state management, logic development, and API integration without any formal training.

#### IR4U

IR4U, "Interventional Radiology 4U" is a dedicated online platform designed to cater to a wide audience, including medical students, healthcare professionals, and the general public.

- Managed data efficiently with Context API for IR4U.
- Created a friendly meeting feature like Google Meet using Amazon Chime SDK.
- Added real-time chat to the meeting app using Socket.IO.
- Integrated a secure payment system with the Stripe gateway.
- Developed a custom video player similar to Udemy with Video.js.
- Enhanced platform features by integrating various APIs.
- Ensured easy navigation using React Router DOM for smooth user experience.
